

Burford Capital Limited
Analyst
New York, NY or London, England

Burford Capital is a leading global finance and investment management firm focused on law. Its businesses include litigation finance and risk management, asset recovery and a wide range of legal finance and advisory activities. Burford is publicly traded on the London Stock Exchange, and it works with law firms and clients around the world from its principal offices in New York, London, Chicago, Washington, Singapore, and Sydney. Burford recently celebrated its 10th anniversary and boasts 125 employees.

The Firm has created an Analyst position who will assist in identifying global investment opportunities. The potential investments, where the primary driver of value is a legal outcome, will be spread across different industry sectors, geographies, and made through a variety of structures.

The role will report to a senior manager of Burford's underwriting team and be based in either of Burford's New York or London office.

COMPANY OVERVIEW

Burford Capital is the largest and most experienced provider of commercial legal finance in the world, accelerating growth and optimizing legal assets for law firms and in-house legal teams. Since its founding in 2010, Burford has worked with hundreds of law firms and corporations, including 90 of the world's 100 largest law firms. Our team has grown from five people at the end of 2009 to over 125 people today, including some 60 lawyers, in offices in New York, London, Chicago, Washington, Singapore and Sydney.

Burford possesses the resources and expertise of a large company while retaining the flexibility and creativity of a startup. Team members are smart, creative, collaborative, curious, and confident. Everyone rolls up their sleeves to perform and engage collectively for the overall success of the business. Burford values rigorous thinking, clear communication, and efficient execution.

Burford pays base salaries consistent with the financial services industry and favors incentive compensation to reward performance. Burford provides competitive health care benefits and a 401k matching program.

POSITION REQUIREMENTS

Responsibilities

- Work closely with other members of the investment and business development team to identify litigation-related investment opportunities
- Design, build and update global industry and company-level analysis in key industries
- Track and analyze regional political trends that may impact foreign investment or key industries
- Identify investment opportunities in companies in key global markets
