**BURFORD CAPITAL FILES FOR US STOCK EXCHANGE LISTING
WITH US SECURITIES AND EXCHANGE COMMISSION**

Burford Capital Limited (“Burford Capital” or “Burford” or “the Company”), the leading global finance and asset management firm focused on law, today announced that it has filed a registration statement on Form 20-F with the US Securities and Exchange Commission (“SEC”) in order to list its ordinary shares for trading on a US stock exchange in addition to their current UK listing on London Stock Exchange AIM. As stated previously, Burford does not intend to issue new shares in conjunction with the proposed US listing.

Burford’s filing is confidential and commences a SEC review process of indeterminate length but is commonly a multi-month undertaking.

Burford will now need to enter into a period where it is entirely unable to comment on the status or progress of the SEC review or US listing. Absent a development requiring a public announcement, Burford does not expect to update the market on business progress during the summer. Moreover, in light of the SEC review process, the Company confirms its prior indicative disclosure on 28 April 2020 that it does not expect to release its interim financial results for the six months ended 30 June 2020 until September on a date that will also not be announced until shortly before the release.

Burford has been represented in the US listing process by Cravath, Swaine & Moore LLP, with advice on English law from Freshfields Bruckhaus Deringer LLP and advice on Guernsey law from Ogier (Guernsey) LLP.
